Conscious Awareness & Subconscious Programming

- "Unbelievable, Gary has some great ideas that can really change your life."
- "Gary was **absolutely inspiring** and had my complete attention the whole way through."
- "I would recommend that not only my family and co workers do this seminar but every living creature."
- "This was, by far, **the best seminar I have ever attended.**"

more happiness • achieve goals • eliminate regrets

❖ The Message

Using his knowledge of Hypnotherapy and Cognitive Behavior Therapy, Gary takes his audience on an incredible journey of self-discovery by examining conscious awareness and subconscious programming. His presentations are thought provoking, entertaining, engaging and educational and provide strategies that make life better.

❖ Conscious Awareness

When you change the way you think about things – the things you think about change. Life is 10% what happens to you and 90% how you deal with it. Learn strategies that can help you deal with life's issues.

❖ Subconscious Programming

Your life is a reflection of your beliefs. These subconscious beliefs conflict with conscious desires. Learn how to change the software of your mind so you can change the printout of your life.
