

Joel Sweeney; BSc, DTM

Feb 12

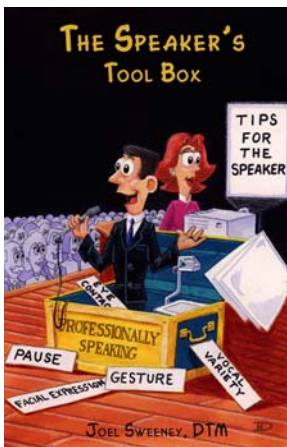

Joel Sweeney is the owner of **Professionally Speaking** which he founded in 1995. Joel is the author of **The Wedding MC Handbook** and **Little Helpings of Food For Thought**. He has a Bachelor of Science degree from Memorial University and has been a member of Toastmasters International since 1989 where he has earned several designations including their highest designation DTM (Distinguished Toastmaster). He is a charter member and Past President of Newfoundland & Labrador Association of Professional Speakers (NLAPS). He is a member of the Canadian Association of Professional Speakers (CAPS) and the Global Speakers Federation.

He was an instructor with Memorial University of Newfoundland (MUN), Division of Lifelong Learning, School of Continuing Education for 10 years where he taught a variety of Career Enrichment courses. He is currently an instructor with the College of the North Atlantic, Division of Continuing Studies.

Over thirty years in professional life has brought considerable experience to his zeal for mentoring in the fields of: oral communication, professional development, and facilitation. Joel has worked within the public and private sectors, including eight years as an Air Traffic Controller. He spent seven years with Fortune 100 companies (Unisys and Digital) and over twenty years as a Senior IT Professional and manager with Bell Aliant.

Joel is a trainer, speaker, facilitator, personal coach and author who has been delivering his services in Atlantic Canada for almost 20 years. He has presented to conferences and conventions at the local, provincial and national levels.

He is prepared to speak on several motivational and informative topics. His Personal Power keynotes; The Power of One, The Power of Knowing and The Power of an Idea are thought provoking and entertaining. His presentations are upbeat and laced with a generous dosage of humour and enthusiasm. One hour or one day, it is all tailored to fit your needs.

PROJECTS:

Joel's third book; **The Speaker's Tool Box** will be published in 2012. This book will take a unique look at the art of speaking. Speaking is a craft and like any craft there is a unique set of tools available to each of you. This book will help you realize what tools are in your tool box and how you can use them to become a better speaker.

This book will be a valuable resource for anyone seeking to improve their speaking skills.
